Annual Hoop Dreams Tournament Gives Students a Shot at College Dream

On Saturday June 17, 2006, over a thousand people from the regional business community came together with DC public high school students and hit the blacktop to raise funds to support inner city youth during the **11th Annual Hoop Dreams 3-on-3 Charity Basketball Tournament**. Both a charity sports event and community festival, the tournament celebrated the organization's year-long mentoring, academic scholarship fundraising and community building efforts that connect inner city DC public high school students with area business professionals. ExecutiveBiz is a proud media sponsor of this annual event.
